Dear Parents/ Carers

I wanted to write to reassure you all, that we are continuing to work on new ways to support you and your families further during this Covid 19 lockdown. I am aware that a lot of parents and students within our community are already receiving regular contact from our staff members; but from Monday 15th June, and over the next two weeks, this contact will be extended further as a means to provide additional support.

Please do not hesitate to contact us if you need advice on any matter. School remains open Monday to Friday and you can contact us in the usual way or email us at sspp@sspp.lincs.sch.uk

Please also use the links on our website to ascertain any support you may need. If you have any issues with accessing work or marking feedback; contact the school and we can work with you to provide a solution.

As I am sure you are all aware from Monday 15th June we open our doors wider, to welcome a quarter of our Year 10 and Year 12 students back on any one day, in accordance with Government guidelines. We aim to provide face to face support in the most beneficial way for all.

The school setting they return to, may be very different but the heart of our Catholic Academy remains the same and we look forward to seeing more students whilst still maintaining appropriate social distancing.

Finally may I reassure you that every recommended action has been carried out to ensure a range of protective measures are in place to create a safer environment of our school, The school Risk Assessment, overseen by the St Therese of Lisieux Catholic Multi Academy Trust has been completed and is on our website.

If you have any questions please do not hesitate to contact us. In the meantime may I take this opportunity to wish you all well and thank you for your on-going support.

Yours Sincerely

Mrs R Le Caplain
