Quick Start guide for students

Get started

How to sign in

Sign in to Teams

1. Go to <u>Office.com</u> and sign in with your school email and password.

2. From your <u>Office.com</u> homepage, click on the **Teams** app to open it right in your browser.

3. Select ****** Teams to see which class teams you're in. If your teacher has already set up the class team and added you, you'll see one of more (depending on how many classes you have) class team tiles.

Note: Don't see any class team tiles? Your teacher may have invited you to join your class team with:

- A join code (from the Teams page, select Join or create team and enter the code)
- A link (check your email!)

When you see your class tiles, click on one to start connecting with your teacher and classmates!

Get organized

Find and organize conversations, files, assignments, and notes in your class teams.

Channels

Every class team has a main discussion area, the **General** channel. Under **General**, your teacher may create more channels to organize topics, projects, and more.

- All channels include a **Posts** and a **Files** tab.
- The **Posts** tab is where you, your classmates, and your teacher can all start and reply to conversations.
- Look for shared documents in the Files tab.
- Along with Posts and Files tabs, the General channel has Assignments, Class Notebook, and Grades tabs.
