Rico knows trouble. He knows the look of it and the sound of it. He also knows to stay away from it as best he can. Because if there's one thing his Romany background has taught him, it's that he will always be a suspect.

Despite his efforts to stay on the right side of the law, Rico is angry and frustrated at the injustices he sees happening at home and around the world. He wants to do something - but what? When he is approached by Speech, a mysterious man who shares Rico's hacktivist interests, Rico is given the perfect opportunity to speak out. After all, what harm can a peaceful cyber protest do...?
