

10<sup>th</sup> May 2024

Dear Parent/Carer,

### **Staff Fundraising Challenge**

As you all know, our friend and colleague, Miss Bell passed away just before Christmas and as a school community we continue to feel her loss keenly. As a result, we have decided to take on a challenge; the Yorkshire 3 Peaks, which involved climbing 3 of the highest peaks in Yorkshire, in 12 hours. The event is due to take place on 15<sup>th</sup> June 2024 and we will be raising money for Marie Curie, a charity which was important to Miss Bell and her family.

Our team is made up of approx. 30 of us and mixture between staff and their family members. We have been training since March and have been out in all weathers, gathering the steps and ensuring that we are in top shape by the time the event happens.

We are looking for sponsorship for this and the link to our fundraising page is below. If anyone is able to sponsor us at all then all donations, no matter how great or small are much appreciated. Further to this, if you know of any companies who may be interested in any corporate sponsorship, then we would be keen to hear from you or them.

We are also intending on having fundraising events in school, after half term, with all the proceeds, going towards this very important cause.

We hope that you are able to support this worthwhile cause; thoughts and prayers are just as needed as donations.

Yours sincerely,

Mrs C F Hewerdine
